THANK YOU FOR A GREAT YEAR

At John Boner Neighborhood Centers, every moving part matters in the success of our services and initiatives to serve our neighbors. Moving into 2020, we would like to dedicate this year to YOU, because without YOU we would not have made such an impact on our neighbors and families. From Near Eastside Neighborhood Summits, where your input has formed they way we provide services, to the generosity of your hearts in providing us with your time, talents, and treasures YOU ARE THE REASON WHY we were able to help 13,005 individuals in 2015.

As we work to prepare on through the Indy East Promise Zone, the Center would like to recognize our donors, funders, community partners, and YOU for your ongoing support and dedication as we turn the Near Eastside into a community where neighbors can live, work, buy, learn, and flourish.

In 2015, John Boner Neighborhood Center led a coalition of partners that secured the Promise Zone designation for the Near Eastside. This 10 year federal designation is for selected communities with high poverty and high capacity to target resources to address economic development, crime, education and leverage private capital. The selected goals for Indy-East Promise Zone include:

- **LIVE INDY EAST** (Create Affordable Housing Options)
- **WORK INDY EAST** (Job Creation)
- **BUY INDY EAST** (Increase Economic Activity)
- **LEARN INDY EAST** (Improve Educational Opportunities)
- **SAFE INDY EAST** (Reduce Serious and Violent Crime)

Within 9 months of being named a Promise Zone, $7.3 million in federal grants were awarded - 8 organizations received this benefit - Funding from 5 federal agencies were secured.

**YOUR CONTINUED SUPPORT IS IMPORTANT**

To continue to offer important programs and services, we need your support. Whether it’s a monthly financial gift, a one-time financial gift, or gift of time through volunteering - it’s all vitally important to our success.
